Welcome to a spectacular New Year at The Princess Theatre and Arts Centre!

As the curtains close on 2023, we're excited to start another year of entertainment with you. In the short time that I have been at the theatre I have been made to feel incredibly welcome by the patrons and our amazing team of volunteers and staff, to which I extend a huge thank you.

We have all been working hard behind the scenes to produce a programme that will provide something for everyone within the community, and we hope that you will join us in the coming months. We are also looking forward to

welcoming some new names to The Princess Theatre this year, with Spectrum Musical Theatre Company and Starlight Burnham-on-Sea, both of which will be performing here for the very first time!

I would like to take this opportunity to say a special thank-you to Tesco, who have provided us with a defibrillator that was installed to the outside of the theatre at the end of last year, a good addition to our town for the use of all those in our community.

We look forward to welcoming you to a new year of singing, dancing and more.

Spectrum Musical Theatre Present:
 Into The Woods Jr.

Be careful what you wish for as Stephen Sondheim's and James Lapine's cockeyed fairy-tale comes to life in this adaptation of their ground-breaking, Tony Award-winning musical. Into the Woods Jr. features all your favourite characters – Cinderella, Little Red Riding Hood, Jack (and his beanstalk) and the Witch in this lyrically rich retelling of classic Brothers Grimm fables.

The musical centres on a baker and his wife, who wish to have a child; Cinderella, who wishes to attend the King's festival; and Jack, who wishes his cow would give milk. When the baker and his wife learn that they cannot have a child because of a witch's curse, the two set off on a journey to break the curse and wind up changed forever. We are reminded there will be times when each of us must journey into the woods but that we must mind the future and the past.
