## Welcome!

Welcome to another season at The Princess Theatre and Arts Centre. As we move towards Autumn, we are gearing up for an exciting programme of events! This summer marked the beginning of our regular over 65s events, made possible by the grant from the HPC Community Fund. These events will continue into early 2025, you can find details of the upcoming dates on page 12.

Our line-up for the remainder of 2024 features an exciting mix of brand-new shows and old favourites! We are particularly delighted to welcome back many local theatre companies for their winter productions. It is a privilege to

provide a professional stage for our local talent to shine.

Community is an important part of the work we do here at The Princess Theatre, and we are pleased to announce 2 new participation groups that will be starting in September. Creative Contemporary Textiles, running on the first Tuesday of every month and Seated Exercise with Anne Panesar, a weekly exercise group on a Thursday. More details about these, and our other community groups can be found on page 13.

As always we cannot wait to welcome you to The Princess Theatre this season.
