## WHAT'S ON? **SPRING/SUMMER 2025**

## Welcome! ..

to Summer at The Princess Theatre & Arts Centre!

Get ready for a season packed with unforgettable performances and magical moments on stage!

This year, we're thrilled to be welcoming not just one, but three local dance schools to our stage! It's always such a joy to showcase the incredible talent from Burnhamon-Sea, Highbridge, and the surrounding areas. Who knows, we might even be watching future West End stars in the making! This Summer is extra special as we celebrate 30 years since Princess Alexandra's grand opening of our beautiful theatre in June 1995. We'd love for you to join us in marking this milestone and celebrating all the wonderful opportunities, performances, and community events that The Princess brings to our town.

See you at the theatre!

The wonderful nature inspired music of Vivaldi and Einaudi come together in this stunning summer concert. The Vivaldi Four Seasons is one of the best loved pieces of classical music managing to capture the character of the Italian countryside through a year as the landscape and nature changes with the seasons. As the first example of programme music we introduce the story of the Four Seasons in a humorous and revealing way.

The natural world Is also beautifully depicted by the works of Ludovico Einaudi as he takes us through Spring, the evocative Petricor – smell of rain and I Giorni – 'In the Days, Our Life', which conclude an emotional and uplifting programme of music.

Director / Soloist - Roger Huckle Programme: Vivaldi – Four Seasons Einaudi - Primavera, Divenire, Petricor, I Giorni

Bristol Ensemble is committed to its charitable work within Bristol and the wider community, and its Preludes Music team works to deliver musical opportunities to more than 4,000 children each year.

And finally, it was time for Bluebird to fly. Swim? Sail? Join a not-so-sober bunch of swashbuckling pirates who dive the depths of the oceans gathering souls, recruiting weird fish, and drinking the seven seas? Yeah, it's that one! But with fresh eyes on the world and setting out on a journey of discovery, Bluebird was ready to become... a pirate! With Captain Feathersmutt at the helm, will it be too late for Bluebird's sisters to save her soul before she becomes one with the sea, or will they see the beauty from within? I mean, after all, will you remember me when you become the hero of your own story?
